

Protecting My Family Financially

This workshop will provide your employees with an understanding of how to protect their families financially. From making the most of their employee benefits, through to understanding wills and how to avoid identity fraud, this session will help to make their money work harder to protect their family in the future.

This session will cover:

- ✓ Making the most of employee benefits
- ✓ Insurance options to protect your family
- ✓ Making a will and LPAs
- ✓ Protecting yourself against ID Fraud

Better with Money was set up to reduce financial misery and confusion in the UK. We aim to bring money matters to life in an accessible and interesting way, delivered in the workplace to employees helping them think clearly about money so they are less stressed.

We have a national team of trainers with extensive financial experience. We use our expert knowledge combined with a sense of reality and fun to keep people motivated and we take feedback from our face to face and web based courses to ensure we are constantly delivering relevant, useful and high quality content

We promise not to sell your staff any other services or products. Our focus is to deliver independent employee education for positive change and financial wellbeing.
