

Money and Pay in the UK (for employees from overseas)

Moving to the UK to work can be an exciting new experience, but the tax and credit system may be very different to the country you've worked in before.

This course is designed to introduce employees from overseas to the UK tax and employee benefit system covering:

- ✓ Understanding your pay slip
- ✓ The savings options
- ✓ Getting to grips with UK Pensions
- ✓ Making the most of Employee Benefits
- ✓ Credit scores and why I need one?

Better with Money was set up to reduce financial misery and confusion in the UK. We aim to bring money matters to life in an accessible and interesting way, delivered in the workplace to employees helping them think clearly about money so they are less stressed.

We have a national team of trainers with extensive financial experience. We use our expert knowledge combined with a sense of reality and fun to keep people motivated and we take feedback from our face to face and web based courses to ensure we are constantly delivering relevant, useful and high quality content

We promise not to sell your staff any other services or products. Our focus is to deliver independent employee education for positive change and financial wellbeing.
