

Financial Awareness for High Earners

High earners face a unique set of challenges when it comes to financial planning. With those in the higher rate and additional rate tax bands facing significant tax on both income and capital gains, high earners can potentially face large tax liabilities from their investments too.

Fortunately, there are a number of ways that high-income individuals in the UK can grow their wealth tax-efficiently. This course is designed to provide information and tips that could help high earners reduce their investment-related tax liabilities significantly.

This workshop will cover:

- ✓ The No-brainer Investments – Pensions & ISAs
- ✓ Venture Capital Schemes
- ✓ Business Property Relief
- ✓ Inheritance Tax Planning

Better with Money was set up to reduce financial misery and confusion in the UK. We aim to bring money matters to life in an accessible and interesting way, delivered in the workplace to employees helping them think clearly about money so they are less stressed.

We have a national team of trainers with extensive financial experience. We use our expert knowledge combined with a sense of reality and fun to keep people motivated and we take feedback from our face to face and web based courses to ensure we are constantly delivering relevant, useful and high quality content

We promise not to sell your staff any other services or products. Our focus is to deliver independent employee education for positive change and financial wellbeing.
